Gift Aid Declaration

Under the Government's Gift Aid Scheme, any donations that you have made to Laniado since 6th April 2002 are worth another 28% to us, without costing you a penny more.*

- I wish Laniado UK to treat all donations I have made since 6th April 2002 and all future donations until I notify you otherwise as Gift Aid donations.

* You must pay an amount of income tax and/or capital gains tax at least equivalent to the tax Laniado reclaims on your donation in the tax year.

Remember how it feels to make a difference.
Act to correct the inequities.
Change your perspective.

At Laniado our mission is very simple.

50,000 patients a year depend on our hospital in Netanya, Israel, to provide care. Regardless of race, religion or culture, we provide care to every person that comes through our doors. Full stop.

Join us as we build a different tomorrow.

Over thirty years of bringing care to our community.

Laniado is the only hospital in Netanya, and serves the largest catchment area in the Sharon region (northern part of Israel) with over 500,000 residents.

When its doors opened in 1974 Laniado had 28 beds, there are now over 400 in addition to a hydrotherapy pool, rooftop greenhouse for gardening therapy, and a Diabetic Clinic to serve the country and beyond. There is also a children's hospital with a dedicated emergency and trauma unit. To date, Laniado Hospital's campus is comprised of 22 acres 94,000 square feet.

As our doctors administer medicine, they do so with a mission. They are Israelis and Palestinians working side by side, providing healthcare to members of both communities. They heal their patients, and in doing so they heal the divide between their communities.

Over 50,000 people a year get better at Laniado. Every patient experiences this mission of unjudged care first hand and takes it back to their communities.

We hope you have a peaceful Rosh Hashanah, and that you keep Laniado in your thoughts throughout the new year.

Yael Simon, Chief Executive
